Civil No. 15-CV-417-LM

United States of America

Motion: Contempt  
 OF Court Order

On 11/17/2016 Judge Landya B. McCafferty  
 OF THE U.S. DISTRICT COURT IN NEW HAMPSHIRE  
 Issued an order that my original P s R  
 To be Destroyed (SEE EXHIBIT 1 Judges order)  
 And the Groping/sexual Assault Be Removed From  
 my P s R and no longer used in any evaluation  
 OF me because there was never any evidence  
 provided to support that claim. And it clearly  
 states in the court record that no such conduct  
 ever occurred.

THE F.B.O.P being aware of the Judges order  
 allowed the False and maliciously incorrect original  
 P s R To be used and allowed me to be  
 incorrectly characterized as a sex offender/  
 sexual predator. This defamation of my character.  
 Mental and emotional Anguish has led to my  
 experiencing, Attempts on my life, Transfers, seclusion,  
 Threats, Extortion, hardships, and my rehabilitation  
 For my mental Health/Drug addiction. This has  
 also caused me to suffer undue stress, fear,  
 depression, panic attacks, anxiety. A type of  
 punishment that by far exceeds the treatment  
 I would have received not only if the  
 FBOP listen to the probation officer  
 Buckley when the recess was taken so when  
 Buckley called the FBOP and try to have  
 it taken care of But the response

From the FBOP was not exceptable to the court so the order was made and the FBOP are still not following court order. SEE following attachments to this motion.

Exhibit 1 court order.

Exhibit 2. sentence monitoring computation Data As of 06-15-2017. shows 924(E)(1) charge is still being used in my classification this proves that original PSR is still being used. and also shows the 34 months serve was never given or any of my good time. SEE NEW PSR states 34 months.

Exhibit 3 Email-inmate message FROM FBOP Mail Room / Records

Exhibit 4 Freedom of information/privacy act shows I'm still a sex offender.

Exhibit 5 Inmate profile 4/08/2017 also shows sex offender.

so I'm please asking this court to up hold the law and grant me a court date. to accused party (FBOP) as seth R. Aframe (Prosecutor) stated at the 11-17-2017 Hearing that if the order was not followed I could come back this order is not being follow and FBOP is in clear violation so I Joshua Fields is asking to come back to court and be herd thank you for your time and consideration.
